ABOUT US

Can you believe it's already been five years since we first held Wine Women & Shoes in Midland? Five years of wine, shopping, incredible Shoe Guys, fun auction packages, Key to the Closet raffles, and most importantly, five years of changing lives for survivors of sexual assault and child abuse. We are so thankful for YOU and all you have done to make this event a success in Midland and help the Midland Rape Crisis and Children's Advocacy Center (MRCCAC) continue to meet the needs of our clients and expand our services. In the past five years, you've provided new training for our therapy department to keep our therapists up to date on the most current trauma focused therapies and new education materials that address the growing issue of cyber security in keeping our children safe. You have provided clothing for survivors of sexual assault, snacks for kids coming in for forensic interviews and therapy sessions, art supplies for therapy, new supplies every year for the forensic interview rooms, and many necessary updates to our building.

We are excited to once again partner with Designs By Imagine If and Stanton Weddings to create a gorgeous environment for Wine, Women and Shoes. We are also excited to continue our partnership with Paul Hernandez Entertainment for DJ and lighting services, and Jennifer Kidd Photography to capture photos of the event! As with past years, we listened to feedback and are making the event and sponsorship opportunities better than ever! We hope these tweaks continue to give our guests the best possible experience – whether you are seeking VIP treatment or prominent logo placement for your business. As always, you have the option to reserve your sponsorship now and pay in January, 2018 or pay now for a tax deduction in 2017. If you would like to create a custom sponsorship package, please get in touch with us.

Since 1979, MRCCAC has provided confidential services to survivors of sexual assault. The Children's Advocacy Center (CAC) was added in 1996 and provides a consistent, non-threatening, developmentally appropriate approach to the forensic interviewing of children who allege severe physical or sexual abuse, children who have witnessed domestic violence or homicide, and children who are believed to be at risk for abuse or neglect. The CAC program leads the Midland Child Protection team, which consists of CAC staff, law enforcement officers, CPS workers, prosecutors, and sexual assault nurse examiners. The Education Program provides a variety of programs to schools and professionals, including a program that addresses the issue of bullying.

Survivors and their non-offending family members receive services at no cost to them. Supporting Wine, Women and Shoes Midland offers a fantastic way to support the Midland Rape Crisis and Children's Advocacy Center so that we guarantee these services are always available for those who need them. Please join us for our fifth annual Wine Women & Shoes as we "change our shoes to change a life!"
