SOARING TO NEW 'SHOE' HEIGHTS

For 42 years, Friendship House has provided quality residential and dementia care in a safe, charmingly homey environment. Friendship House has been warmly supportive of elders and their families since founded in 1978 by Dr. Lou Netzer, a long-time family practice doctor in the Valley. His vision was a home-like environment for the elderly who were frail but not needing the service provided in a nursing-home setting. Our homes, our care and passions are solely devoted to our Alzheimer's and dementia residents. It is with respect and love that we maintain a welcoming home for them, their families and friends. The generous support of the community has enabled us to be known for our affordability as well as our high standard of excellent personal care.

CHANGE YOUR SHOES. CHANGE A SENIOR'S LIFE!

A GLIMPSE INTO OUR PROGRAMS

Assisted Living Residential Care: We offer varying levels of care based upon the unique needs of each resident. Some residents require minimum supervision while others need full assistance for all daily living activities. Our staff is carefully selected and specially trained and certified in dementia care. Our homes and campus are designed to provide a safe, secure and stimulating environment for our residents. Great care is taken to provide a regular daily routine, which is an important aspect in managing Alzheimer's and Dementia and we focus on person centered care.

Overnight Respite Care: For family caregivers we offer a break and a helping hand. Our program is ideal for folks who need some support caring for a family member living with them. Whether it is overnight stay, a week or as long as a month, all our services and amenities are included in the stay as well as 24-hour supervision, meals and activities. Caregivers could use a little break and our respite program is here for community.

Life Enrichment Day Program: Day Program for Seniors affected by memory loss, dementia, Alzheimer's or who are medically frail. We provide a safe and stimulating environment where each day is filled with conversation, music, activities and laughter. The caring staff strives to pamper and entertain the participants with activities customized to their individualized interests and abilities. A nutritious lunch is served along with morning and afternoon snacks. Most importantly, participants find socialization and acceptance in a homelike setting. Our services also cater to the caregivers, providing them the flexibility and support they need to care for their loved ones at home. Flexible schedules and affordable rates are perfect for caregivers who work or need respite from their care schedules.

Support Services

Support Groups - Facilitated by the Alzheimer's Association and open to the public free of charge.

CREATING A WIN WIN!

Wine Women & Shoes fundraisers create an opportunity for partnerships between charities, wineries, shoe and accessory retailers, corporate sponsors and women in the community. In addition to raising money, these events raise awareness for charities, increase sales for wineries and retail partners, and provide community exposure for corporate sponsors.
