STEPPING ON A FIRM FOUNDATION

The Shelton State Community College Foundation, Inc. (Foundation), was organized and incorporated in 1984 for the purpose of stimulating voluntary private support from alumni, parents, friends, corporations, foundations, and others for the benefit of the College.

The Foundation exists to raise and manage private resources supporting the mission and priorities of the College, and provide opportunities for students and a margin of institutional excellence not achievable with institutional funds alone. The Foundation is dedicated to assisting the College in the building of the endowment and in addressing, through financial support, the long-term academic and other priorities of the College.

SHELTON STATE COMMUNITY COLLEGE FOUNDATION SCHOLARSHIPS

The Shelton State Community College Foundation provides a number of scholarships for students enrolling at Shelton State Community College. Scholarships are typically offered for an academic year beginning in the fall semester. Awarded scholarships are available for use for the fall, spring, and summer terms.
