It's hard to believe we are celebrating a DECADE of Wine Women & Shoes benefiting the Midland Rape Crisis and Children's Advocacy Center (MRCCAC). When we launched this event in 2014, we knew it was something unique that our supporters would love. As we enter our tenth year, we think back on all our favorite moments – standing ovations for the brave survivors who have shared their stories, turning up in a big way for our first (and thankfully only!) virtual event, Shoe Guy videos that covered everything from musicals to 90s rap, sold out crowds, and too many others to list! And while we've been having so much fun, we've also raised an incredible amount of money to support the MRCCAC. Your support has funded so many vital projects and expansions, including a satellite office in Big Spring, a soft interview room for survivors of sexual assault to use to give their statement to police, clothing for sexual assault survivors, pizza for Kids in Court, and more snacks than we can count. And truly, we still feel like we're just getting started!

**We can't wait to see you on September 28th, 2023, to celebrate a decade of changing lives at the Midland County Horseshoe Pavilion for more fun, more shopping, and of course more wine.** We continue our incredible partnerships with Designs by Imagine If, Stanton Weddings, and Cookhouse Catering to bring you a luxury event experience. We hope you'll continue to partner with us to bring hope and healing to survivors of sexual assault and child abuse.

Since 1979, MRCCAC has provided confidential services to survivors of sexual assault. The Children's Advocacy Center (CAC) was added in 1996 and provides a consistent, non-threatening, developmentally appropriate approach to the forensic interviewing of children who allege severe physical or sexual abuse, children who have witnessed domestic violence or homicide, and children who are believed to be at risk for abuse or neglect. The CAC program leads the Multi-Disciplinary Team, which consists of CAC staff, law enforcement officers, CPS workers, prosecutors, and sexual assault nurse examiners. In 2006, we opened a satellite CAC office in Andrews County, and in 2018, we opened a second satellite office in Big Spring to serve Howard and Martin Counties. Survivors and their non-offending family members receive professional therapy and victim advocacy/accompaniment services at any of our three offices, at no cost to them. Our Education Program provides a variety of presentations to schools and professionals, including the Play It Safe program that addresses body safety to children in pre-K through 6th grade.

Supporting Wine Women & Shoes Midland offers a fantastic way to support the Midland Rape Crisis and Children's Advocacy Center, so that we can guarantee these services are always available for those who need them. Please join us for our 10th Annual Wine Women & Shoes as we celebrate a decade of sipping and shopping, all for a great cause!
