LINCOLNSHIRE
MARRIOTT RESORT**

Wine Women & Shoes is the brainchild of Napa Valley vintner Elaine Honig and has raised more than \$112.5 million for nonprofits in 60+ cities around the country and Canada.

We are so excited to welcome you back to the Lincolnshire Marriott Resort for the 7th annual Women Women & Shoes, which will take place on July 14th. This fabulous party will include fine wines, incredible auction packages, a survivor fashion show, and emotional stories by survivors of domestic violence and human trafficking.

We have a variety of sponsorship options to fit your company's charitable strategy. With YOUR help, we can continue our mission to eliminate the epidemic of abuse.

"A Safe Place has taught me that we are stronger together when we stand with survivors. When I think about the courage it takes to share a story like this, I am reminded of how lucky I am to have that support. I am lucky to have seen justice. But so many victims are not granted that same dignity. If I may ask of you anything, is that you continue to be the arms that hold survivors like me up. I ask you to continue providing space for survivors like me to heal, to be heard, and to know that we are not alone, because there is no gift greater than that." - Molly, Survivor at A Safe Place*

A Safe Place is the only comprehensive nonprofit agency solely focused on programs and services for survivors of domestic violence and their children in Lake County Illinois. We receive over 2,000 crisis line calls from individuals just like Molly every year. The decision to make that first phone call, to reach out for help, is an enormous risk that will change lives. But that one phone call to A Safe Place can open the doors to safety, security, healthy resources. It can provide support for everyone.

Each year, A Safe Place impacts over 30,000 lives. People seek services from our emergency shelter, crisis counseling, legal advocacy, family visitation services, individual and group counseling and outreach and education. Through our programs and services, we walk hand in hand with victims on every step of their healing journeys.
