Wine Women & Shoes has raised more than \$126 million for charities in 65+ cities around the country and Canada.

Our second annual Wine Women & Shoes will take place on May 11<sup>th</sup> and will include fine wines, incredible auction and raffle items, and inspiring stories about the power of a community committed to early learning.

We have a variety of sponsorship options to fit your company's charitable strategy. With YOUR help, we can continue our mission to ensure all all children begin kindergarten ready to succeed.

*"My mind is at ease knowing my child is getting something fun and educational that shows up automatically every month. It helps my child meet important milestones, and makes me feel more supported as a parent. – Lauren, mom of Ella\**

Best Beginnings is a statewide nonprofit that mobilizes people and resources to ensure all Alaska children begin school ready to succeed. Less than one third of children in Alaska start kindergarten with the skills they need to succeed. It's no surprise then that as a state, our children lag far behind the nation in math and reading skills by the third grade.

We know that the greatest financial return on investment happens in the first few years of a child's life. Which mean together we can close these gaps. Each year we serve over 14,000 children and their families just like Ella to help them get the very best start in school and life. From getting books in the home through our partnership with Dolly Parton's Imagination Library, publishing local authors and early learning resources, to hosting free virtual and in-person family engagement events, and advocating on behalf of Alaska families. We know that young children are the heart of Alaska, and investing in their success is the key to our future.
