Our Vision

Your sponsorship of **Wine Women and Shoes** will benefit **HappyBottoms**, Kansas City's Diaper Bank. We are the only organization in the metropolitan area focused solely on obtaining and distributing diapers to families in need. Your sponsorship directly supports **HappyBottoms** mission to collaborate with the community to empower, connect and impact families by alleviating diaper need.

Diapers are not covered by government safety net programs and are the number 1 requested item at social service agencies. Nearly 1 in 2 (47%) of families with young children in Kansas City report needing access to this essential, basic need.

HappyBottoms philosophy is for our diapers to be a hand-up, not a hand-out. By providing diapers, **HappyBottoms** helps babies stay clean and dry, attend or stay in daycare so parents are not absent from work, and provides parents relief from the daily stress of choosing between purchasing diapers, paying a utility bill or buying food. **HappyBottoms** leverages the hand-up to connect families to agencies that can address other needs like job skills and training, education, clothing, and physical and mental health care.

There is nothing stronger than the collective power of women helping women and their families.

Community Diaper Distribution

Program and strategic initiatives

to eliminate diaper need in the

Kansas City community.

ABOUT HAPPYBOTTOMS

HappyBottoms is Kansas City's Diaper Bank. We are the only organization in the metropolitan area focused solely on obtaining and distributing diapers to families in need. In 2025 **HappyBottoms** distributed 6.2 million diapers to 19,400 children through our Community Diaper Distribution, a 25% increase over the previous year. Through strategic partnerships with 80 agency and 5 hospital sites, **HappyBottoms** ensures that every child enrolled in the program receives 75 of the right size diaper every month. Access to this basic need means fewer health concerns for babies, fewer missed days of work for parents, less of a financial burden and greater stability for families.
