Our Vision

By sponsoring **Wine Women & Shoes**, you directly support **Children's Protection Center** in providing a lifeline to children and families at their most vulnerable moments. At CPC, we exist to ensure that children who have experienced abuse are met with safety, dignity, and compassionate care from the very first step forward. While no child should ever have to endure abuse, far too many do—and your support ensures they are never forced to face that journey alone.

The path to hope and healing is complex and often overwhelming. CPC brings critical services together under one roof—from forensic interviews and specialized medical care to trauma-focused therapy and advocacy—creating a coordinated, child-centered response that minimizes further harm and promotes healing.

Without this clear and compassionate approach, the effects of abuse can follow a child for a lifetime. Children are resilient, but healing requires expert care, a safe environment, and a community that surrounds them with unwavering support.

Because of supporters like you, Children's Protection Center can provide these essential services at **no cost to families**, removing barriers and placing a child's well-being at the center of every decision. Your sponsorship ensures that when a child walks through our doors, they are met not with fear, but with hope, healing, and the promise of a brighter future. Together, we can protect children, strengthen families, and help every child move toward the life they deserve.

100% of proceeds go directly to Children's Protection Center.
